SAE Gear • Inventory List

Shoot Day 3 • Todo

- ☐ Check all of your Gear / Rotate Batteries
 - ☐ Organise all documents you need to use for the day
 - ☐ Liaise with the team on roles
 - ☐ Prep all gear & do a quick test run
 - ☐ If necessary, check shots & discuss positioning, movement, frame lines, & audio
 - ☐ Think about what kinds of SFX / Foley / Ambience - you could record
 - ☐ Once shoot finished - backup all audio for archives - pass onto data wrangler
-

Call Sheet

Notes

Here's the section for any quick notes you might want to jot down.

-

Reflections

Here note down some thoughts & reflections on today's work. Think about how you did, anything you could do better, things you might change for future shoot days & any/all feedback from peers.

Remember how powerful a tool can be when done properly
